**FOR IMMEDIATE RELEASE**

*ASC geosciences, inc. is climbing up the charts*

**Lakeland, Florida (August 7, 2007)** On Thursday, July 26, 2007, ASC geosciences, inc. (ASC), was recognized as one of Tampa Bay's 'Fast 50' by the Tampa Bay Business Journal. The Business Journal's Fast 50 ranks companies based on their year-over-year revenue growth for the most recently completed fiscal years. ASC geosciences landed at number 43, with an impressive 49% percentage growth in annual sales from 2004 to 2006.

A week earlier, in the July 20<sup>th</sup> edition of the *Gulf Coast Business Review*, ASC's Director of Business Development, Shannon Stein, was recognized as one of the Gulf Coast's top '40 under 40.' Stein was chosen from more than 200 nominees as a professional making a difference in her profession and community.

"To be recognized by your peers for your success is always gratifying," company president Anu Saxena said. "We are pleased to be in such great company."

**About ASC** – ASC geosciences, inc. was established in 1984 in Lakeland, Florida. Today the firm provides multi-disciplinary engineering consulting services through its domestic offices in the southeastern United States and international offices in India.
